1948.3 He also thanked the Clerk for his work once again and for setting and delivering a comprehensive programme before Council members.

1950 CORRECT & APPROVE COUNCIL MEETINGS:
The following entries were proposed and were seconded as correct:

1950.1 Full Council Meeting – 12 August 2020 (JWG/GG).

1951 Cwlwm Seiriol Report (Cyttir Nature Reserve) & Cadnant Project Plan.

1951.1 **Cyttir Nature Reserve Circular Route** – the Clerk said that the County Council was unable to fund any route improvements at present and that he had spoken to Rebecca Pritchard of Menter Môn who will contact and get estimates as soon as possible before the Cwlwm Seiriol Group can consider whether to contribute to the initiative. The Clerk said that he had made a request to Cwlwm Seiriol to consider creating a parking site in the reserve for public use of the circular footpaths in the future.

1951.2 **Cadnant Project Scheme** – the Clerk said that he had met a stonemason outside Siop Llandeg in order to receive an estimate for the development of the site and that the landowner and all other information will have to be granted and approved before he provides a subsidy application to the Local Places for Nature Scheme jointly funded by the Welsh Government and the National Lottery Heritage Patient by 14.10.2020.

1952 Llansadwrn Flood Alleviation Scheme (Hafoty/Playground).

County Councillor Carwyn Jones reported that the scheme had proved to be a success and referred to the heavy rain that had recently fallen and there was no repetition of any trouble near Maes Hafoty. **What remained is to claim the money from the County Council in accordance with the scheme agreement for the inconvenience to the Play Area. The Clerk to send a letter to the County Council.**

1953 Re-Opening & Annual Inspection of Playing Fields.

1953.1 It was noted that the TWO playing fields had now re-opened but that in the interests of health and safety the area of playing field at Llansadwrn will have to remain closed to allow the land to settle and the grass to grow.

1953.2 The Clerk had prepared and completed a risk assessment for both sites and had arranged and installed a hand washing machine in them and members thanked Mr Paul Kirkham for carrying out the installation. It was again noted that all equipment must be maintained and washed weekly.

1953.3 It was noted that one thing had arisen in the interests of health and safety that a 'NO BYCLES' sign needed to be placed on the Playing Fields.
AGREED – Clerk to arrange.

1953.4 The Clerk had circulated a copy of the ROSPA annual audit report to the attention of each Councillor and a discussion took place on what has been noted in the report. Due to age, it was observed that there were four pieces of equipment between the two fields that no longer complied with British Safety Standards**.** The Clerk expressed concern that it would be to install New Play Equipment in the long term rather than to continue spending on repairs. He said that he had received a price for the Llandegfan Multi-Play unit and Slide Equipment with a cost of £9,910 +VAT (including a new floor and moving the old equipment). The terms of the County Council's 'The Association' Charity subsidy under the control of the County Council were noted that £3,000 will have to be contributed towards the scheme. Following another extensive debate with different ideas and proposals, it was decided that it should move forward and purchase New equipment as follows:

1953.4.1 Llandegfan Multi-Play and Slide Unit Equipment – agreed to apply to the small grants 'The Association' (maximum £8,000) under the control of the County Council by 30.9.2020 – Clerk to make all arrangements.

1953.4.2 Llansadwrn Multi-Play and Slide Unit Equipment – to defer for the time being and apply to the County Council's Larger Grants controlled Charity 'The Association' when a date has been announced.

1953.4.3 Llansadwrn's Goat & Pel Net Equipment – to defer for the time being and apply to the County Council's Larger Grants controlled Charity 'The Association' when a date has been announced.

1953.4.4 Llansadwrn Swings Equipment – to defer for the time being and apply to the County Council's Larger Grants controlled Charity 'The Association' when a date has been announced.

The Chair thanked the Clerk and Council Members for their comments and discussions in this matter and he was hoping that should our decision be approved; it would benefit both communities for years to come.

1954 New Bus Shelter Seating.

Although he had contacted another Local Contractor for a quote, **the Clerk said that he did not have any development to our enquiries and that the item will remain on the agenda and to report back to the next meeting.**

It was agreed to place the Company's logo inside the Kiosk in recognition of the contribution.**

1956 Additional Defibrillator Installation Scheme.

The Clerk stated that whilst visiting the site in Llansadwrn with Mr Tomos Hughes, the opportunity was taken to visit and consider the possibility of installing two additional machines near Allt Cichle and somewhere in the Old Village. The cost of installing each machine would be in the region of £1,800. **The Clerk said that difficulties exist and that she will work with the County Councillors to resolve it. The Chair thanked the Clerk for arranging this.**

1957 Dog Bag Dispenser Project.

The Clerk said that he had met Mr Wiliam Stockwell of the County Council's Waste Department in the Village and they were happy to install and locate 3 Machines around the village of Llandegfan where bins were already in place (Lon Ganol near Mill Bank Farm / Llandegfan Church / Lon Fain Trail near the Pencefn Hotel). It is expected that this work will have been undertaken by the end of September 2020. The Chair thanked the Clerk for arranging this.

There was a report from County Councillor Alun Roberts that the Police had acknowledged his and all the Community Council's concerns raised at the last meeting and that a further meeting with Mr Huw Percy, Head of the Highways Department of the Isle of Anglesey County Council was planned for next week to discuss the dangerous parking that currently exists on the sharp corners near the Playground and Bro Llewelyn entrances together with the Road Brow at Trem Arfon. Speeding along Brynteg Lane was also raised and that accidents at the bottom of the lane have been reported and it was agreed to include unresolved matters to Lon Allt Bryn Mel as part of these discussions.

Councillor Alun Roberts was also disappointed that he had not received the notice as a County Councillor and that he would be making an official complaint to the Planning Department.
